	Lessons begin from this day.		Public Holiday (Academy Closed)
	Classes are running.		Term Break (Academy Closed)
	Extra lesson day for students who miss a listen due to Monday public holidays.		JAM-Uary Summer Programme No regular weekly classes. Instead we run supplemental activities, events and competitions.

- NOTES:**
- The academy is open for the first Monday of term breaks to compensate for public holidays throughout the year. Students who miss a lesson due to Monday public holidays may take advantage of this. The blue dates represent this.
 - Launceston Cup Day: We will be open for classes as normal.
 - Good Friday: We are closed. If your lesson is on Good Friday, you can opt to join another class the same level as you during the week of Good Friday. (If space allows) or we will send you additional lesson materials in replacement of that lesson.
 - During the month of January we will offer academy members a collection supplemental activities, challenges and extra materials, as well as continued access to the lesson portal. We do this to add value in this month, while regular classes are off until February. It is a great time to make progress on your instrument and for us to do something unique and different.
