See next page...

**NOTE:**

We base our term dates on the public school system. We recognise that private school term dates can be different, and apologise for any conflicting dates.

**Lesson Weeks:**

Academy classes will be running as normal. Approx 40 lessons during the Year. Full steam ahead!

**Public Holidays:**

Lessons will not be running on public Holidays, except Launceston Cup, we're open that day.

If your lesson falls on a public holiday, we invite you to progress your learning with the musago student portal or attend the workshop or special event for that week, if there is one running.

**Special Events**

Occasionally lessons will be replaced with whole academy special events, such as concerts, special guests and other cool things.

If your lesson is replaced by a special event, we invite you to attend this instead, as learning music is much more than a weekly instrument lesson.

**Workshops**

These are all in events designed to expose students to other aspects of music learning, creative events and industry training.

It's also a great chance to meet as a whole academy and build a community vibe. These will replace the weekly lesson for that week and may be on a different day and time than your usual lesson. If you can't make it, you'll go into the draw to win the 'absent' award.

**Academy Closed:**

In these weeks, the academy will be closed. We will often be setting challenges during this time so students can continue to build their skills and even catch up on some practice if they are behind.

Oh...and there are prizes to be won!

We also offer some Q & A Zoom Calls in some of these weeks so students can get extra help if they need it. Also...these are just fun!

During this time, teachers develop new lesson plans, catch up on admin, prepare for a special event or workshop and do other 'worky' things.

Oh... the teachers and students might also be having some holidays. Yay!

**Monthly Billing:**

We love being able to offer this fantastic music program to you.

We have factored all our pricing into a monthly billing plan across 12 months.

This means you will get a bill once a month every month, rather than larger bills for 11 months of the year or 4 huge bills every term.

To offer you this service, we are relying on you to pay on or before your due date consistently.

Late payments or extensive follow-up from us takes up precious time that we could spend on better things for all of our students.

We reserve the right to cancel the enrolment of students with overdue accounts.

\* If times are tough... just let us know and we'll see what we can do. Communication is key.
